# MASTER IN LIBERAL ARTS

## OFFERED ONLINE AND IN-PERSON

The Master in Liberal Arts at UST is a **multidisciplinary** Master's degree, a flexible **alternative** to a traditional Master's degree, with courses and electives from among several concentration areas. Students enjoy small classes and personal attention, with many evening options, along with study abroad and internship opportunities.

### The Master in Liberal Arts degree is a great option for:

- Educators looking to advance practical and subject matter expertise
- Professionals looking to advance their careers or to expand job horizons
- Everyone looking to go deeper into the Great Books and Great Ideas in the pursuit of life-long learning.

Additionally, UST offers an **Executive MLA** program that is designed for working professionals who want to engage with the greatest books of world civilization.
