MASTER OF PUBLIC POLICY AND ADMINISTRATION (MPPA)

MAKE A DIFFERENCE IN THE WORLD

ONE-YEAR ONLINE PROGRAM

You want to make a positive impact in the world, contribute to the public good and help people rise to their best.

The Master of Public Policy & Administration degree is ideal for highly motivated and ambitious students like you who want to make a difference. You can feasibly **complete your MPPA in one year**. And no other graduate program in this field focuses so heavily on ethics and public service.

Mastering the challenges of public policy making and public administration with an MPPA from UST will give you the skills and confidence to make a real difference in your world, your community and your life.
