MASTER OF SCIENCE IN BUSINESS

EXPAND YOUR BUSINESS SKILLS

Offered 100% Online

If you are looking to expand your business skills and advance your career, the Master of Science in Business (MSB) at the University of St. Thomas is the program for you. The MSB program caters towards anyone who does not have an undergraduate degree in business but wants to learn the necessary business skills for career success.

The MSB at UST is a one-year graduate business program grounded in Catholic ethics and morals, combined with valuable business skills that will allow for you to advance in your current career or succeed in the corporate or non-for-profit sectors.

Through a variety of case studies, field trips and guest speakers, we will create a real-world experience. In just few months you will have the knowledge and tools to make a living doing what you love.
