

UNIVERSITY OF
ST. THOMAS

MASTER OF SCIENCE IN NURSING (MSN)

A CAREER WITH A PURPOSE
COURSE WORK OFFERED 100% ONLINE*

If you're ready to **advance your nursing career** and **increase your earning potential**, consider the UST Master of Science in Nursing (MSN) program. With UST's unique focus on **holistic healing**, you'll learn how to engage with a patient's body, mind and spirit to care for the whole person.

Tailored for working nurses, UST's MSN program is **flexible**. With full-time and part-time degree plan options, you can **complete the MSN in 2-3 years** while still working a full-time job.

Course work is online, with simulation labs being held at UST's state of the art Center for Science and Health Professions.

** Simulation labs will be held at UST's state of the art Center for Science and Health Professions.*
